

A kashubian girl

You're not a girl like this

I agree

You dislike to give a kiss

I agree

So, be nice, stop kicking me

If You please

I agree, I agree, I agree

Why're You smiling like a beast

Don't ask me

Take a chance and have a risk

Drink it, cheers!

You're so serious, let it be

I agree, I agree, I agree
